Dear Mr. Travis:

Thank you for meeting with me on November 25 and December 1 as part of the Norcen Energy Resources Group Career Transition Seminar. The information and assistance provided by you and your team is a wonderful resource which has already proven to be very helpful.

While I will not be actively seeking employment until after the holiday season, I am currently working on my resumé and assembling a variety of resource materials. I expect to have my resumé finalized in early January and look forward to your critique in the new year.

I will contact you for an appointment in January. Meanwhile, I wish you and your family a Merry Christmas and a happy and healthy New Year.

Yours truly,

K. A. (Kathy) Christie
