

Feb. 27, 99.

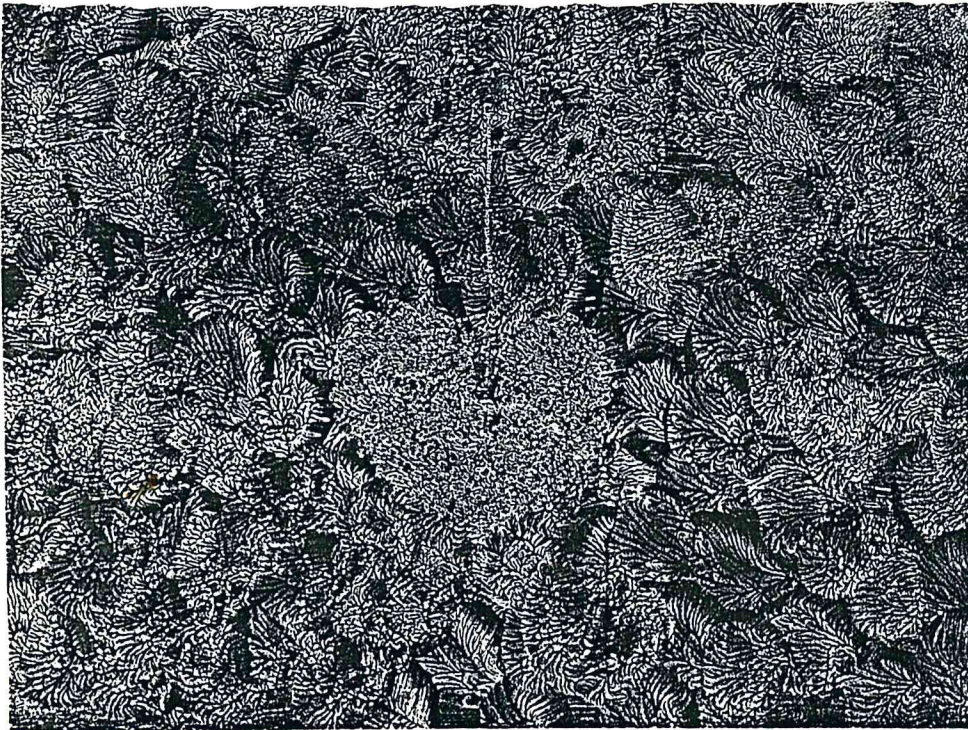

Dear Peter,

Yesterday I celebrated one of the most important days of my life. I finished recruit training and graduated into the Calgary Fire Department. It is because of people like you who gave their support and guidance that I was able to secure this position.

The information you shared with me as to how to prepare myself for the interview was invaluable. Your making time for me in your busy schedule and the giving of your expertise was a definite factor in my obtaining this position. It's wonderful to know there are experts like you who are willing to share their talents with young people like myself who are trying to start their careers.

Thank you for everything. I know I'll make you proud.

Sincerely,  
Morgan Beeger

Morgan Beeger, of Calgary, was referred to Peter Meneghetti's expertise by a former client (Jim Sellers) of more than five years previous. Mr. Meneghetti performed this service "gratis".
