Dear Sam:

Just a short note to say thank you for your and your staff's efforts over the past few months. You, Peter, Jane and Wilma were a pleasure to work with. The coaching and advice I received from yourself and Peter were in many instances crucial in my efforts to communicate in a professional and effective manner and in pursuing opportunities as they arose.

If I can be of assistance to you or your organization in any way, please do not hesitate to contact me.

Best regards and continued success in the future.
