Dear Sam:

Thanks for the great discussion in relation to my settlement and other matters on Saturday.

Yes, I would most certainly be interested in extending the advisory services to 1 year. I have set up an office at home complete with computer and modem and will not require as much clerical/office support as your facilities offer.

My next appointment with you has been scheduled for Wednesday, March 8 at 1:00 p.m. at your office. At that time I would like to discuss my current game plan and review my business profile and resume

Again, Sam, to date my impressions of your services along with those of your business partners appear to be first rate and I look forward with enthusiasm to working with you and learning from you
